5th February, 1940.

Notice to all Annual Subscribers.

R Enclosed please find a copy of the Annual Report of the Infirmary for the year 1938.

A limited number of copies of the Reports for the years 1936 and 1937 are now available, and can be had on application to the Secretary-Superintendent at the Infirmary.

In order to economise paper and postage, however, it is hoped that Annual Subscribers will not apply for issues unless they are seriously wanted.

J. W. Noble

Secretary-Superintendent.

*"Thanks to
Allenburys!"*

"No depression in this house," thanks to the nightly cup of Allenbury's Diet. Delicious to take, this nourishing "Good-night" drink promotes sound sleep and all-day energy.

Allenburys Diet makes a delicious nightcap—or day-time pick-me-up. It costs 2/4 & 4/6 a tin at Chemists

Made by ALLEN & HANBURY LTD., LONDON

The Man who Stopped the Clock

The man who buys a Safe because the price appears cheap may be likened to the man who stopped the clock in order to save time.

Of the many things in this world which ought to be selected by reason of their established reputation are a Doctor, a Lawyer, and a Safe, for in each case their value lies in the degree of service rendered in time of need.

No prudent man would accept the services of a Surgeon or a Lawyer without proving to his own satisfaction that their previous training and ability merited his confidence ; likewise a wise man takes no chance when installing a Safe, because he knows that if it fails under test of fire, fall, or burglary, the loss may be irreplaceable.

Report of the Board of Management for the Year 1942

MY LORDS, LADIES AND GENTLEMEN,

The Board of Management have pleasure in presenting to the Governors the 195th Report and Statement of Accounts which cover the year ended December 31st, 1942.

Unhappily when making such a report it is necessary to preface it with a reference to loss sustained by the passing of loyal friends of the Hospital, and we regret particularly to have to refer to the death of the following:— The Viscount Boyne and Mr. E. B. Fielden who were both past Treasurers in 1926 and 1918 respectively; to Mr. W. Swire, a past Treasurer and a member of the Weekly Board and its successor the Board of Management for twenty-eight years; to Mr. H. L. Grocott, a Governor of the Hospital and a member of the Special Board, who had the unique distinction of never being absent from a meeting at the Hospital to which he was convened, and to the Hon. Mrs. Lambart who gave considerable help to the Hospital as a member and latterly as Chairman of the Ladies' Auxiliary Committee and for a number of years as organiser of Hospital Egg Week.

We deplore the passing of so many good friends and remember them thankfully for the great help which they gave to the Hospital during their lifetimes.

When presenting statistics of the work and finances of the Hospital each year since 1936 The Board have been at pains to explain that for various reasons—formerly the rebuilding and re-organisation of the Hospital, and latterly the upgrading of the Hospital and its Annexes for Emergency Medical Service purposes—a comparison of our establishment of one year with that of another would be misleading, and in consequence reliance should not be placed upon statistical comparison, but comparison should only be used as a general indication of progress and as a measure of the volume of work performed in the Hospital.

On this occasion we can invite you to rely completely upon statistical comparison as the actual measure of our progress and the extent of our usefulness, because our establishment has remained constant during the past year and compares exactly with that of the previous years.

In presenting the following brief record of work performed, your Board of Management extend their most cordial thanks to members of the Staff—Honorary Staff, Resident Staff, Domestic, Administrative and the Works Staffs, who, by their individual contributions, have in the aggregate made possible the successful accomplishment of an enormous volume of work under conditions of considerable difficulty.

The statistics are as follows :—

	1942	1941
In-Patients	4503	3919
Average days residence per patient ...	21.26	24.68
Surgical operations	3449	2856
New Out-patients	4053	2528
Dental Out-patients	669	368
Accidents and Casualties	8192	7644
Out-patients and Casualty attendances ...	36072	31255
Clinic (Fracture and Diabetic) attendances ...	2957	1238
<i>X-Ray Department :</i>		
Patients for diagnosis	5655	5466
Skiagrams taken	10555	9511
Superficial and Deep Therapy treatments ...	3831	3059
<i>Massage Department :</i>		
New patients	844	676
Massage treatments given	15855	16012
Ultra Violet Ray treatments	1307	1229
Diathermy treatments	265	—

The Governors will, it is hoped, realise from a perusal of the above figures that the Hospital has been fully employed during the year in all of its Departments and that it continues to give in ever-increasing measure the benefit of its facilities to those people who require its help.

In considering the work of the Hospital it is invidious to single out any one department for particular mention because each forms but a part of the complete establishment of the general Hospital.

Nevertheless we feel compelled to refer to three departments of comparatively recent origin which have done much to increase the Hospital's general efficiency, namely, the Pathological Department, the Diabetic Clinic and the Fracture Clinic.

The Annual Report of the Board of Management to the Governors in the year 1941 referred to the establishment of the Laboratory and the appointment of Dr. A. J. Rhodes, M.D., F.R.C.P.E., as Pathologist, and to the fact that the work of the Laboratory up to the end of the year gave promise that the high expectations of the Board of Management would be realised and that the Laboratory would prove to be an outstanding success.

The first complete year's work in the Laboratory, details of which are published elsewhere in this report, has completely justified your Board's confidence, and has, if anything, exceeded their highest expectations, thanks entirely to the enormous volume of work performed by Dr. Rhodes and his staff and the very high quality of that work.

Your Board of Management are not lacking in their appreciation of all that Dr. Rhodes has done to make the Laboratory the undoubted benefit that it has become to the Hospitals and to the medical profession in the area.

The existence of the Pathological Department made possible the establishment of a Diabetic Clinic, and the facilities now made available to physicians in charge of diabetic patients by the Pathologist and his Department have added very greatly to our efficiency in treating this condition.

The work of the Diabetic Clinic is appreciated by the Public Health Committee of the Salop County Council who realise fully the advantages it offers for the efficient safeguarding of the public health of the community in this respect, and this Committee have given tangible proof of their appreciation by inducing the County Council to make an annual grant of £250 to this Hospital towards the cost of services rendered to diabetic patients.

The Fracture Clinic has also completely justified our expectations and has proved of very great benefit in the rehabilitation of fracture cases.

964 new fracture patients were received in the Clinic last year and our thanks are cordially extended to Mr. Glandon Williams for his enthusiasm and conscientious work as surgeon in charge of the Clinic.

Passing from a review of the work of the Hospital to consideration of the finances we are happy to report that for the first time for very many years the income of the Hospital proved sufficient to meet its expenditure and to leave a small surplus of £635.

Reference to the published accounts shows that the income of the Hospital increased from £50,831 received in 1941 to £60,724 received last year and that expenditure in the same comparable period increased from £55,739 to £60,089.

This very gratifying result is mainly due to increases in the amounts received from four sources—from the Contributory Association, from Donations, from the Anniversary Service and from Legacies.

From a humble beginning in the year 1928 when the parishes of the County were organised to take up collections for the Infirmary a Contributory Association has developed which includes as its Associated Hospitals virtually all the Voluntary Institutions in the County and which last year received as contributions from its members the sum of £40,291.

Of this amount your Infirmary received £24,331 or £6,593 more than in the previous year and we extend to the Council of the Association and to its many thousands of members our most grateful thanks for this substantial financial assistance and also

our heartiest congratulations on the remarkable success of their organisation in the County.

Donations received last year amounted to £4,569 as compared to £2,717 received in 1941, and to everyone who contributed to this very successful result we extend grateful thanks.

The total in the aggregate is made up of many donations, the majority of which are the result of special efforts promoted in aid of Hospital funds, whilst others are generous gifts made by individuals.

In the latter category mention should be made of the generosity of the Directors of the Chatwood Safe Co., the Sentinel Waggon Works, Messrs. Joseph Sankey & Sons, The Lilleshall Co., and Messrs. O. D. Murphy & Sons, who contributed respectively sums ranging between £250 and £100, whilst in the former category our thanks are extended to the employees of the Sentinel Waggon Works who contributed the sum of £306 as the result of a Dancing Competition, to the members of the Shrewsbury Charity Boxing Committee and to the Shrewsbury Carnival Committee who raised the sums of £225 and £145 respectively from efforts promoted during "Holidays at Home" week in the Borough, and to Mr. Nicholls of Wem whose activity in promoting a Dance and Competition in Wem benefited our funds by the sum of £122.

We have also to refer once again to the great-hearted generosity of the people of Oakengates whose support of efforts promoted by the Oakengates & District Hospital Committee during the year raised the sum of £1,000 as a donation to the Hospital in addition to the considerable sum given by the same people as contributions to the Contributory Scheme.

In commemoration of the achievement of raising £1,000 from special efforts in one year the Governors assembled at a Court of Governors held in November last conferred Life Governorships on Mr. H. H. Hilton, the Chairman of the Hospital Committee, and upon Mr. E. Lowe, the Chairman of the Oakengates Carnival Committee, distinction which they have well merited.

Our grateful thanks are also extended to Mr. David Hulton-Harrop, whose efforts as Treasurer for the year were responsible for raising the sum of £1,161 at St. Chad's Church on December 5th, which is the second highest figure raised by the Anniversary Service in 195 years.

The last of the principal sources of increased income referred to—Legacies—was responsible for the receipt of £4,727 last year as compared to £572 received in 1941.

The amount received last year represents a fair average of legacies received over a number of years whilst the amount received in 1941 was amongst the lowest ever received.

Finally, on the subject of income, your Board of Management extends grateful thanks to all those supporters who have assisted us during the year, notably our Annual Subscribers, the Clergy and Ministers of Religion who send Church Offertories, and all those other friends of the Hospital who, in many unrecorded ways, assist our work.

Several enquiries have been received recently from Annual Subscribers who have desired to execute a Deed of Covenant to pay their subscriptions to the Hospital for a given number of years, and thus permit the Hospital to recover Income Tax paid on the amount of the subscription.

To those enquirers we have replied—that a Deed of Covenant Scheme has been in operation at the Hospital during the past seven years, but in order that all of our supporters shall know of this scheme it is intended in the very near future to send out a letter explaining the scheme and setting out its benefits to the Hospital and to the subscriber.

We warmly commend the adoption of the Deed of Covenant Scheme to all our Annual Subscribers who can by the declaration of their intention of paying their subscription for a period of seven years enable the Hospital (whilst Income Tax remains at its present rate) to receive an amount equal to double the sum actually paid.

On the expenditure side there is very little calling for comment except to explain that of the increase of £4,350 spent last year in maintaining the Hospital, £2,022 was earmarked for new equipment for our X-Ray Department, thus leaving a net increase of £2,328 spent upon the general maintenance of the Hospital.

If you refer again to the statistics and note the extraordinary increase in the volume of work performed in the Hospital you will surely share the confidence of the Finance Committee that the increased expenditure is not excessive and that careful economy has been observed consistent with the maintenance of an efficient standard.

Our invested funds have been increased during the year by the receipt of a legacy of £2,177 bequeathed to the Permanent Endowment Fund by the late Miss Ellen Lewis, and by the receipt of £287 received up-to-date from many of the Shropshire Youth Service Squads who have set themselves the task of raising the sum of £500 for the purpose of endowing a cot in our children's ward.

We extend to all the Service Squads concerned grateful thanks for the effort they have already made and hearty congratulations on their ingenuity in devising many novel ways of raising money.

Finally, on the subject of our finances, it is necessary that we should temper any enthusiasm which we may feel as the result of

the success of the past year by reminding you of the adverse position which has been our constant lot for many years past.

It has been our duty at previous Courts of Governors when we reported losses of several thousands of pounds to warn you that your general financial position was critical and that you could not indefinitely continue the accumulation of a heavy load of debt.

The fact remains that we have in recent years accumulated a debt of some £45,000 which is now owing to our bankers and which must be liquidated before we can face the future with that measure of confidence which is so necessary to our continued development.

We make this reference to our general financial position now for two reasons ; the first to show all of our supporters that our need of their support is still very great and to beg for a retention of all the help which they can give to us, and the second is to refer, once again, to consideration which is being given by your Board of Management to the problem of reducing our debt.

Your Board feel that this question is so pressing that they are now discussing with their fellow Hospitals of the Shropshire & Mid-Wales Divisional Hospital Council the possibility of promoting a special appeal for funds, and a Committee is being appointed to consider the most efficient method of launching a Joint Hospitals Appeal.

We continue to experience difficulty in securing and retaining the staff necessary for the efficient running of the Hospital, including the necessary number of resident medical officers. Constant representations are being made to the Government Departments concerned for help in meeting this difficulty which is a very real hindrance to smooth working.

A staff change to which we have to refer is the resignation in the early months of the year of our Honorary Radiologist, Dr. Lavelle.

Dr. Lavelle worked well for us for many years and he takes with him on his departure from the Hospital our best wishes and our grateful thanks for the help he has given to us.

Dr. Lavelle is succeeded in his appointment as Radiologist by Dr. Humphrey Foy to whom we extend a most cordial welcome.

One of our Assistant Surgeons, Mr. Lincoln Lewis, also left us in the middle of the year for service in the Army, and we wish Mr. Lincoln Lewis success in his new field of effort and a safe and speedy return.

Our technical staff has been increased during the year by the appointment of Mr. W. Browning as Consulting Engineer and we have already experienced the benefit of this appointment.

At a Court of Governors held in November last Major H. R. Sykes was appointed Treasurer for the ensuing year.

Major Sykes, whose cousin Col. H. P. Sykes was Treasurer in 1920, has for many years been a keen and most loyal supporter of the Hospital and we are grateful for this further demonstration of his interest.

The need due to the War for providing as far as possible our own foodstuff has been responsible for the much greater attention paid to the working of the Hospital gardens, and a Garden Committee was created at the beginning of the year for this purpose.

The Committee is assisted by the County and Borough Horticultural experts whose valuable co-operation is hereby gratefully acknowledged. The result has been a very considerable increase in the yield of fruit and vegetables which is reflected not only in the better feeding of the Institution but in saving of expenditure upon vegetables which otherwise would have to be purchased.

Our feeding problem was also greatly helped during the year by the generous response of farmers in the County to an appeal for gifts of potatoes. Transport difficulties prevented the fullest use being made of this beneficence, but it is hoped that if the same generous offers are forthcoming this year, means will be found to take the fullest advantage thereof.

The Shropshire Branch of the National Farmers' Union to whom we extend grateful thanks has been our very good friend in this matter.

Under the heading of policy there are two items of interest to which we have to refer : the first is that as the result of our enlargement in the incorporation of new facilities, particularly our Pathological Department, we are now recognised by the Royal College of Surgeons of England for the purpose of its Fellowship Examination.

The second is to tell you of the appointment of the Infirmary by the Ministry of Health as a "Service" Hospital in the Emergency Medical Service.

In May of last year the Ministry of Health felt the need of concentrating service work in certain Hospitals which were appointed "Service" Hospitals ; the Infirmary is appointed as the "Service" Hospital for this part of the Midland Region.

Finally, on the subject of policy, you will expect to be given an indication of your Board of Management's policy with regard to the future of the Hospital system of the Country.

Your Board carefully considered the first Interim Report of the Income Limits Sub-Committee of the British Hospitals' Association, and unanimously resolved their unqualified support for all the recommendations contained therein.

Your Board have continued to watch the situation with very great interest and whilst the position, as at present, appears rather obscure, they are encouraged by the knowledge that a Joint Committee of the British Hospitals' Association, the Nuffield Trust and the King Edward Hospital Fund for London is in direct touch with the Ministry, and is actively engaged in discussions concerning the future generally, and the interests of the Voluntary Hospitals in particular.

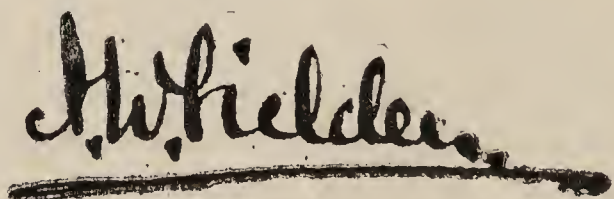

Your Board unhesitatingly declare that they will give their wholehearted support to any proposals which are calculated to improve the Hospital System nationally, including schemes of co-operation and co-ordination with Public Authority and State owned Hospitals, provided always that the best features of the Voluntary Hospital System are retained as the basis of such schemes, but they will not acquiesce in any policy which merely aims at the surrendering of the Voluntary Hospitals to bureaucratic control. Your Board propose to give the fullest possible measure of support to the British Hospitals' Association and allied organisations so long as this policy is pursued.

In conclusion, your Directors wish to reiterate that whilst their policy is one of orderly progress, to pursue that policy successfully they must be kept supplied with the sinews of war in the form of adequate financial resources. They pledge themselves to use those funds wisely and efficiently in order to maintain your Hospital in the forefront of the battle which medical science is ever waging against sickness and disease.

A Hospital without adequate resources is like an underpowered ship, unable to keep its proper place in the line, open to attack from all sides, and a constant source of worry to those in charge. We therefore appeal to all our supporters to give us the driving power to enable us to maintain the splendid reputation which this Hospital has acquired in the 195 years of its honoured existence.

I am, My Lords, Ladies and Gentlemen,

Your obedient Servant,

Chairman.

MATRON'S REPORT, 1942.

To the Chairman of the Board of Management.

SIR,

I beg to report on the work of my department for the year 1942. This year has seen many changes in the Nursing Staff ; several of the former members are now serving overseas in the Q.A.I.M.N.S.R.

RESIGNATIONS.

Miss Williams, Men's Medical Ward Sister.

Mrs. Wadsworth, Junior Night Sister.

Miss Lloyd, Sister-in-Charge Market Drayton Annexe.

Miss Huxley and Miss Grocott, Sisters-in-Charge Hodnet Hall Auxiliary Hospital.

APPOINTMENTS.

Miss Black, Men's Medical Ward Sister.

Miss Lloyd, Sister-in-Charge Hodnet Hall Auxiliary Hospital.

Staff-Nurse Swann, Sister-in-Charge Market Drayton Annexe.

Staff-Nurse Harrison, Junior Night Sister.

Twenty-four Student Nurses have entered during the year, twelve in January and twelve in June ; each set has had six weeks Preliminary training before doing full-time duty in the Wards.

Ten nurses have been successful in passing the Final State Examination and twenty-three the Preliminary State Examination.

The Hospital Examination was held in October, when thirteen nurses qualified for Certificates.

The Harley Memorial Medals were awarded to the following nurses :—

Gold Medal Standard (80% of the total marks):

Joyce Evans, 85%, awarded Gold Medal.

Silver Medal Standard (70% of the total marks):

Doris Edwards and Margaret Corfield, 79% awarded Silver Medals.

Luba Epsztejn, 76% awarded Matron's Prize.

Five other nurses reached Silver Medal Standard.

On November 21st Dame Alicia Lloyd Still, D.B.E., R.R.C., Matron of St. Thomas's Hospital 1913-1938 presented the Certificates. It was a memorable day for the nurses ; her talk will be an inspiration to them in their future work and we shall all remember

the last thought she gave them—"Greatness is to take the common things of life and to walk truly amongst them, and Holiness is a great love and much serving".

I wish to thank the Medical Staff for the excellent lectures they have given to the nurses during the year. The high percentage of passes in the State Examinations proves the value of these lectures during the Nurse's Training.

I am very grateful to our friends who by their interest and generosity help the Infirmary in so many ways ; also to those who spare time to give practical help in the Wards and to others who meet every week to make dressings, bandages, etc.

Before ending my report I should like to place on record my appreciation of the loyal co-operation I have received from all members of the Nursing Staff, and to thank them for the true spirit of service they have shown in all their work.

I am, Sir,

Your obedient servant,

L. A. D. EVANS,

Matron.

PATHOLOGICAL LABORATORIES

To the Chairman of the Board of Management,

SIR,

I beg to report on the working of my department for the year 1942.

The Donaldson-Hudson Pathological Laboratories have now been open for eighteen months and this, the second, annual report refers to the work carried out in 1942.

The main feature of the year has been the marked increase in the number of examinations, thus, for the six months of 1941 in which the Laboratory was open the total number of examinations was 7532, while for the first six months of 1942 the number was 12,718, and for the second six months 18,767. The total number of examinations performed in 1942 was therefore 31,485, made up as follows :

(1)	Royal Salop Infirmary	17319
(2)	Salop County Council	7170
(3)	County Council Hospital, Cross Houses	1219
(4)	Robert Jones and Agnes Hunt Orthopædic Hospital, Oswestry	1725
(5)	Eye, Ear and Throat Hospital, Shrewsbury	732
(6)	Private Practitioners	2762
(7)	Emergency Medical Service	558

A detailed statement of the nature of these examinations is given below in tabular form.

A considerable proportion of the increased work is explained by the fact that the hospital Diabetic Clinic is held in the Laboratories regularly every Tuesday afternoon and complete biochemical tests are made for each patient before being seen by the medical officer. The total number of such tests (included in the total for the R.S.I. already given) was 3,273.

During the year a number of demonstrations have been held in the Laboratories for the benefit of nurses and service medical officers, and it has been a great pleasure on these, as well as on numerous other occasions, to receive visitors.

I have to acknowledge with most grateful thanks the splendid work of all members of the staff of the Laboratories, Mr. E. J. Maddox, Mr. S. G. T. Davenport, Mrs. H. M. Lloyd-Jones, and D. Trentham. Mrs. Mort and Mrs. Walcot have rendered invaluable voluntary help and to them I am most indebted. Finally I have to thank Surgeon-Captain F. G. Hitch, R.N., of the Royal Naval Medical School, who very kindly acted as my locum for two weeks in the summer, and Messrs. C. D. Lee and W. Hammond who relieved the technical staff.

I am, Sir,

Your obedient Servant,

ANDREW J. RHODES, M.D., F.R.C.P.E.,

(Pathologist).

LADIES' AUXILIARY COMMITTEE

THE TWENTY-EIGHTH ANNUAL REPORT, 1942.

To the members of the Ladies' Auxiliary Committee, 1942.

The need for economy in paper has once again prevented the printing and circulation of the Annual Report to all members of the Ladies' Auxiliary Committee. The Entertainment Committee has nothing to report, but the activities of the other Committees have gone on as usual.

LINEN LEAGUE. The grateful thanks of the Committee of the Linen League are due to all Vice-Presidents, who have helped to maintain the level of subscriptions, and have, in most cases, sent them to the Secretary by the date appointed. The generosity of all subscribers is much appreciated, especially in view of the enormous increase in price of Linen and Cotton goods. Orders are now subject to revision by the Ministry of Health, and are sometimes considerably cut down. Delays in delivery are also a matter of months, and orders for Linen, etc. have to be made well in advance of the needs of the moment. The Committee have in mind the formation of a reserve fund to be available for the replacement of necessary goods, when they are obtainable. Gifts "in kind" have of necessity been less this year, although in spite of all difficulties 75 articles have been received, and in many cases money has been sent instead of garments.

The death of the Hon. Mrs. Lambart has been a sad loss to the Linen League; her place as Treasurer and also as Vice-President, has been taken by Miss Daphne Lambart. Mrs. A. E. Fielden has been appointed as Vice-President, in place of the late Mrs. E. B. Fielden.

HAMPER SCHEME. A good number of Women's Institutes have sent hampers. Harvest Festival Collections of fruit and vegetables have been received from 58 Churches. Goods have been valued at £14 18s. 7d., and contributions in money have amounted to £5 10s. 0d. The house-keeping department has been especially grateful for gifts of EGGS. 1,370 have been given during the year.

TINFOIL. The full effect of the Salvage Campaign, and the lessened use of metal foils, has seriously reduced the income received through the sale of foil. Eight and a half cwts. have been sold for the sum of £15 5s. 0d. This is about half the amount received in 1941.

LIBRARY. The resignation of Mrs. Rodger, Head Librarian, and of Mrs. Benion, has been received with much regret. Miss Lloyd-White has been appointed Head Librarian, and Lady Butler, Lady Headlam, Mrs. P. H. Evans, Miss Charlotte Sandford and Mrs. Thickpenny have joined the Committee and are helping to distribute the books.

VISITING COMMITTEE. The following new Visitors have been appointed: Mrs. Gouldbourn, Mrs. Hughes, Mrs. Orme, Mrs. Perkins, Mrs. Thickpenny and Mrs. Williams. The wards have been very regularly visited throughout the year.

LADY DIRECTOR. Mrs. Black has been re-elected to represent North Shropshire on the Board of Management.

Remittances should be made payable to *Royal Salop Infirmary or Order.*

EXTRACTS FROM THE STATUTES

PRIVILEGES OF GOVERNORS AND SUBSCRIBERS

Statute (7)—Every Annual Subscriber of 10s. 6d. or upwards shall be entitled to one Recommendation Ticket for each 10s. 6d. subscribed. All cases recommended shall be investigated in the manner laid down by the Board of Management, and the patient so recommended shall be medically examined by one of the Resident Medical Officers, or by the Physician or Surgeon for the week, who shall have power to admit the patient as either an in-patient or an out-patient as the nature of the case seems to require, or to decline the case as not admissible under the Rules of the Institution. A Recommendation Ticket is available during the year of subscription only, and benefit to a patient in respect of it shall not endure for more than eight weeks from the date of admission in the case of an in-patient, or twelve weeks in the case of an out-patient, after which the patient must obtain another ticket, if further treatment is necessary.

Statute (8)—Every Life Governor by virtue of a donation of £52 10s. 0d. or upwards shall be entitled annually to four Recommendation Tickets for each complete £52 10s. 0d. so subscribed, up to a maximum of twelve. All Life Governors appointed prior to this revision of Statutes shall enjoy the same privileges as heretofore.

Statute (9)—Every Temporary or Representative Governor shall be entitled annually to four Recommendation Tickets for each vote to which he is entitled under Statute 2.

Statute (10)—Every Clergyman or Minister of Religion who shall permit a collection to be made in his Church or Chapel for the Infirmary shall be entitled to two Recommendation Tickets for every £1 1s. 0d. received by the Infirmary from that source, up to a maximum of twelve Recommendation Forms.

Statute (11)—All subscriptions shall be due on the first January and payable in advance, and no ticket shall be issued to any subscriber whose subscription is in arrear, nor shall any ticket be available except during the twelve months for which it is issued.

ADMISSION AND DISCHARGE OF PATIENTS

Patients other than urgent cases, shall be admitted and discharged every Saturday by the House Committee, who are authorised to use their discretion as to the admissibility of any patient.

No patients shall be admitted but such as are themselves unable to pay for adequate advice and treatment, and whose relatives are unable to make such provision for them.

All In-patients shall be discharged at the end of eight weeks from admission, unless the Physicians or Surgeons certify to the Board of Management that there is a probability of their being cured, or receiving relief within a reasonable time, and in that case they shall procure a fresh recommendation, unless the Directors see fit to dispense with this requirement. The Resident Surgical Officer shall report to the Board of Management all cases of In-patients remaining in Hospital longer than the specified eight weeks.

FORM OF BEQUEST.

I GIVE AND BEQUEATH to A.B. and C.D.
the Sum of.....
upon trust, and to the intent that they, or one of
them, do pay the same to the Treasurer for the
time being of the Royal Salop Infirmary, which
said Sum of.....

I will and desire may be paid, free of legacy duty
out of my personal estate, and applied *to the
general purposes of the said Infirmary.

**For the perpetual Endowment of a Bed/Cot in the said
Royal Salop Infirmary. The Bed/Cot to be known
as the Bed/Cot.*

Property of all kinds, including Land, and Money lent on
Mortgage, may, by the Mortmain and Charitable Uses Act, 1891,
be left by Will to this Institution.

14 THE SQUARE

SHREWSBURY

Our stock assortments are not as varied as they used to be, but are still adequate for most of the essential commodities in which we trade.

Our staff is sadly depleted, but those here to serve you are doing their best under difficult conditions.

Our delivery service is greatly restricted
BUT
we are doing, and will continue to do, all we can to serve you well.
